Nurses Honor Guard

How we honor those who've cared for so many

Nursing is a calling.

The Atrium Health Nurses Honor Guard pays tribute to those who dedicated their lives to the nursing profession, Registered Nurses and Licensed Practical Nurses. Upon request, and free of charge, we will provide a short tribute for the deceased nurse at their funeral or memorial service. Services are available in Mecklenburg, Cabarrus, Lincoln, Cleveland, Gaston, Union, and Stanly Counties, and other locations within 30 miles of Charlotte.

It is a privilege for nurses to honor other nurses and help bring peace during a time of mourning.

Our Nurses Honor Guard will respectfully provide the following:

- Attend all services wearing traditional white uniforms
- Stand guard at the casket or providing a respectful presence during visitation
- Recite the Nightingale Tribute at the service and presiding over the final call to duty
- Present the Nightingale lamp to the family
- Place a white rose with the loved one to signify devotion to the nursing profession
