Can you do me a quick favor? [Take a minute right now to sign a birthday card for President Obama!](#)

His birthday is right around the corner on August 4, and I'm hoping for an overwhelming outpouring of love, support, and well wishes from every corner of the country and beyond. I think President Obama deserves nothing less—and I know it will mean the world to him.

[Add your name and an optional birthday message—it'll only take you a few minutes!](#)

ADD YOUR NAME TO BARACK'S BIRTHDAY CARD

I've known President Obama a long, long time, and it probably won't surprise you to know that he's never been the easiest person for whom to buy a gift. But there's something I've learned: it doesn't matter what day it is, he's generally more focused on other people rather than himself.

That's why I know how much it would mean to him personally to hear from you and the Obama Foundation community of supporters. [Will you sign his card?](#)

SIGN BARACK'S BIRTHDAY CARD

President Obama wants to hear about the impact that his presidency and the Foundation have had on people's lives. He wants to know how folks are helping build stronger communities and a brighter future. He wants to be a part of something bigger than himself.

Even on his birthday. *Especially* on his birthday.

Can you help make that happen? [All it takes is a few clicks and a few words](#), and we'll take care of delivering your message to President Obama.

[Please, take a moment now to add your name.](#)

Thank you for helping make this birthday extra special.

–Valerie
