Steve,

Did you catch the Rachel Maddow show last night? If so, you heard how the race for NC Commissioner of Insurance was highlighted on MSNBC as one of the most impactful on your wallet. **NC Democratic Chair Anderson Clayton told Rachel Maddow how Natasha's race "affects your pocketbook the most."**

Click above to watch the full video.

Like Anderson said, Natasha's opponent hasn't been working for the people of North Carolina. *He's approved 16 rate hikes without ever holding a public hearing!* Natasha represents a better vision for insurance in North Carolina — **the person we elect to be our Commissioner of Insurance should defend your wallet, not help insurance companies squeeze it!**

Natasha is getting national attention now - **exposing the major conflict of interest the current Commissioner has.** "Rate Hike Mike" Causey and the big insurance PACs that fund his campaign hope voters won't notice their rate hikes. On Election Day, they're counting on voters to give Causey another four years to raise our rates. But we shouldn't let that happen.

Like Anderson said, Natasha "isn't taking a dime" of insurance company money — we're funded by people like you who are furious about the rate hike racket under "Rate Hike Mike" Causey. [Will you support Natasha's campaign by chipping in whatever you can today?](#)
