Natasha MARCUS

NC Commissioner of Insurance

Hi Steve, it's Natasha. I want to ask you for a favor.

I've been traveling the state since December meeting as many voters as possible, spreading the word about what the NC Commissioner of Insurance does and how this race directly impacts your wallet. We're putting thousands of miles on my odometer, not getting much rest, and we are running out of time. **We cannot tell as many people as we need to about "Rate Hike Mike" Causey and Election Day is only 66 days away.** So, I'm asking for your help.

We recently met hundreds of voters at events in Iredell, Davidson and Surry Counties.

Please think of who you know in NC who may not know about the Commissioner of Insurance race and forward them this message:

*If you pay an insurance bill in NC you should care who your elected Commissioner of Insurance is. For the past eight years, we've had "Rate Hike Mike" Causey who has earned his nickname by allowing insurance companies to raise our rates on property insurance an unprecedented 16 times! Even worse, he's never held a public hearing so insurance companies have not had to justify their rate increases and he's taken in more than \$250,000 for his campaigns from insurance industry sources. **We have a fox guarding the hen house and that's why our insurance bills have been skyrocketing!***

*I have heard State Senator Natasha Marcus speak about how she's spent her career working for the people of our state. She is running to be our next Commissioner of Insurance and she has my vote. **She's not taking any campaign money from insurance company PACs** because she wants to work for the people, not for the insurance companies. She's ready to use her legal experience to hold public hearings and cross-exam insurance companies when they want to raise our rates. I hope you will vote for Natasha this year too. **You can learn more about her and sign up for updates directly from her here.** natashamarcus.com*

If everyone who gets this email contacts just three of their friends, we would triple our name recognition in North Carolina. How many people in your contact list need to know this information? Will you fill the "To" field with their names and hit send today?

I'm heading back out the door to meet more voters.
Thanks for your help.

P.S. The other way you can help us reach more voters with our message is to make a donation to help us pay for written materials, signs and digital ads. You can donate online [at this link](#) or by mailing a check payable to Friends of Natasha Marcus, PO Box 24, Davidson, NC 28036. Thank you!
