Community partners kick off new season using QCR

The new school year is in full swing, and that means a new season of community partners using Queen City Readers with local students!

The turnkey tutoring tool, which was first piloted in spring 2023, is designed to target basic word reading skills covered in the kindergarten and first grade years. We're excited to continue to learn with our partners as they use the tool in the months ahead.

To learn more about QCR, check out [our blog](#).

Help us recognize Reading Heroes!

Our community is full of people who go above and beyond to help children succeed in reading. Help us recognize them by submitting a Reading Hero nomination!

Our Reading Hero program recognizes ordinary people in Mecklenburg County doing extraordinary things to improve children's reading. Learn more [here](#).

children's reading. Learn more [here](#).

Morris Costumes collects school supplies for students

As the new school year got started, Classroom Central wrapped up its annual 9 School Tools school supply drive.

This summer, Morris Costumes, the home of our [Read Together mural](#), participated in the drive and collected more than 250 items for local students! We love seeing all the ways our community comes together to support students, and are grateful to have such a wonderful partner in Morris Costumes!
