Clerk's Office Encourages Residents to Serve on Information Services & Technology Committee

The County is seeking applicants to fill vacancies on the Information Services & Technology Committee (ISTC). ISTC serves as an advisory group to the Board of County Commissioners and reviews plans at a conceptual level for major new automated systems. The committee reviews the justification of a system, the adequacy of the system functions, along with the availability of technology and personnel resources. Members are expected to have expertise in managing information systems and will provide feedback to the Board, when necessary, on information technology challenges.

Individuals interested in serving are asked to [submit an application online](#), or contact the County Clerk's Office at 980-314-2939 or Clerk@MeckNC.gov. Applicants must reside in Mecklenburg County to qualify for an appointment.

What to Know to Vote Early in Mecklenburg County

Early voting for the 2024 General Election is underway, and the Board of Elections has all the information Mecklenburg County voters need to cast their ballot. Voters who plan to vote early in person can do so at any of the [33 early voting sites](#) in the county, now through Nov. 2.

Be sure to [check your voter registration](#) before you head to the polls. During early voting, voters can register and vote the same day. The registration deadline to vote on Election Day has passed. And don't forget — voters need a photo ID to vote in North Carolina elections. Most voters will use their driver's license, but there are many types of accepted photo IDs. Voters without an ID can still vote with a provisional ballot. Read [10 facts about photo ID](#) from the N.C. Board of Elections.

If you don't make it to an early voting site, make plans to vote at [your assigned Election Day polling place](#) on Nov. 5. Find more resources and information at Vote.MeckNC.gov.

Homeowners Have Until Nov. 22 to Apply for Economic Assistance Grants

The program provides economic assistance grants of up to \$648 to qualifying Mecklenburg County homeowners. Residents within the Charlotte city limits may qualify for additional grant funding of up to \$367. Qualifying residents in the Town of Davidson could get an additional grant of up to \$566.

New applicants and previous grant recipients are encouraged to complete and submit the easy, one-page application [online](#), [by email](#) or in person. Applicants may drop off their completed applications and verifications at the Valerie C. Woodard Community Resource Center, [3205 Freedom Drive, Suite 1000](#), Charlotte; the Ella B. For more information on the HOMES program, visit [MeckNC.gov/4HOMES](#), email 4Homes@MeckNC.gov, or call 980-314-8400. All applications and verifications must be submitted and postmarked by **Nov. 22, 2024**.
