Natasha Marcus Concedes NC Commissioner of Insurance Race

RALEIGH, N.C. — Sen. Natasha Marcus, Democratic nominee for NC Commissioner of Insurance, issued the following statement:

"Thank you to every voter, supporter, volunteer, and donor who stood with my campaign and believed in the vision we had for a North Carolina Department of Insurance that values transparency, accountability, and advocacy. While we didn't achieve the outcome we worked hard for, my heart is full of gratitude for all of you who showed up, spoke out, and worked for change.

"I congratulate Commissioner Causey on his victory and wish him well as he continues in this role. North Carolina's policyholders, especially those devastated by Helene, will continue to face challenges getting their claims paid in a fair and timely manner. The Commissioner's job will be demanding and critically important for our state and our future.

"We ran a strong, honest, grassroots campaign and brought the concerns of many North Carolinians to light. We came close to a win. I am proud of that work and hope it will prompt positive changes at the Department of Insurance because the people of our state deserve reliable, affordable insurance coverage."
