“Gratitude

makes sense of our past, brings peace for today,
and creates a vision for tomorrow.”

MELODY BEATTIE

This Thanksgiving, we express our deepest gratitude to you
for being a part of Council's community.

Since the pandemic, our team has served more children than ever before. This year, we have seen an **increase in complex cases**, often involving unmet mental health needs.

Our services have expanded to not only provide legal representation, but also to offer impactful guidance on policy reform across North Carolina. We are humbled to stand beside our children in increasingly complex circumstances where their rights are at risk.

Council's advocates have provided **crucial, life-changing services** that **reduce disruptions** in our children's lives and increase their well-being by allowing their voices to be **heard**. These results lead directly to upward mobility for our children's future- **A future that can shine brighter** thanks to our committed supporters and volunteers who continue to ensure a strong foundation for our community's children.

Although the last few years have been difficult, we find strength in those around us. **We are grateful for people like you**, who care so deeply about our work and move our children towards an equitable future.

We wish you a beautiful Thanksgiving filled with warmth, laughter, and gratitude. We hope you know that today— and every day— **we are thankful for you.**

With deep gratitude,

Heather Johnson
