#GivingTuesdayCLT

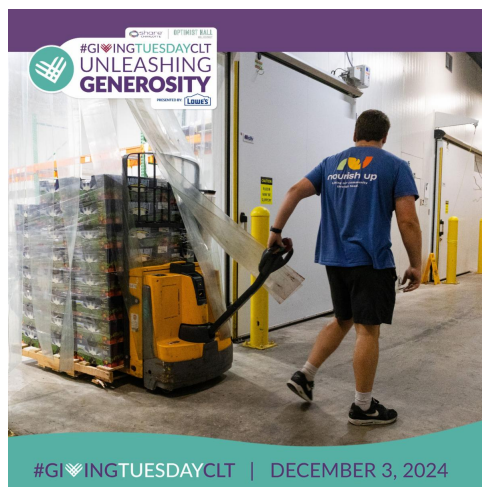

Thank you to everyone who supported Nourish Up this Giving Tuesday! We are grateful for every donation that allows us to nourish our neighbors with food and compassion.

There's still time to give! You can help us reach our goal of \$25,000 today. We apologize if technical difficulties impacted your ability to donate yesterday — everything is running smoothly now, and we'd love your support.

Help us reach our goal!

Our goal of \$25,000 will help fill our coolers and freezers, providing our network of food pantries and Grocery Home Delivery program with 2 weeks' worth of fresh fruits, vegetables, dairy, and meat for our neighbors in need.
