Dear Community Champion,

This holiday season we are counting it all JOY for your continued support of our mission and our role in this community to transform lives and strengthen families. But of course, we cannot do this without you! We know you care deeply about this community and your investment, big or small, will make a difference that you can see. Will you consider making a personal gift this holiday to support our great mission? Every contribution will be reinvested back into the community to support our key initiatives:

- Preparing today's ready workforce for 21st century jobs and careers
- Creating pathways for financial sustainability and upward mobility for families
- Supporting our youth in becoming tomorrow's leaders

If you can consider a gift in the amount of **\$25, \$50, or \$150**, we can achieve so much more. Together, we can build the city we want to be. Thank you for considering this opportunity to give and on behalf of the Urban League, we wish you a warm holiday season and a Happy New Year,

Warm regards,
Urban League of Central Carolinas
