WATCH PRESIDENT OBAMA'S MESSAGE

Happy Holidays!

We're honored that this incredible community joined us to bring change home in 2024.

Your support has already done so much to empower the next generation of young leaders. Here are just a few of the amazing things we have accomplished together:

- **Significant progress has been made on The Obama Presidential Center**, which will include a Chicago Public Library branch, multi-purpose community spaces, and a museum that inspires visitors to believe in their own power to create change.
- **Empowered adolescent girls through education with the Girls Opportunity Alliance**, allowing them to achieve their full potential and transform their families, communities, and countries.
- **Uplifted boys and young men of color through the My Brother's Keeper Alliance**, creating safe and supportive communities and providing clear pathways to opportunity.

But there is still so much good work to do in 2025. With you on our side, we can't wait to see what we can accomplish together in the new year.

So thank you, for all that you do. We here at The Obama Foundation hope you have a joyful and restful holiday season with your loved ones.
