MORE THAN A CLASS

When you take one of our training programs, you get the added benefit of working with several of our teams to make sure you are fully prepared to take the next step and land a job! These teams are:

- **Goodwill University team:** offers the training program, and monitors course grades, attendance and other supporting activities.
- **Career Navigation team:** each participant will be assigned a Career Navigator who provides ongoing career coaching and employability skills training, such as help developing your resume, crafting an elevator pitch, preparing for a job interview and more.
- **[Employer Engagement team](#):** provides mock interview and employment

assistance to all program participants by partnering with employers to facilitate employer-led training, job site tours, hiring events and direct job placements.

- **Family Stability team:** helps participants address factors beyond employment – such as food, healthcare, transportation, rent and utilities – through the coordination of crisis intervention services.

HOW IS IT FREE?

We're able to offer these high-quality job training programs absolutely free of charge, thanks to our shoppers and donors. The revenue we generate from selling donated goods in our [retail stores](#) and [online channels](#) - in conjunction with [philanthropic donations](#) and grant awards - is what funds the programs and services we offer at no charge to people in our community.

HOW TO GET STARTED

If you're interested in applying to one of our programs, please visit one of our [Career Centers](#) to meet with a Goodwill team member who can help you get started. Our Career Centers are open Monday – Friday from 8:30 a.m. – 4:30 p.m. No appointment necessary. Please note that only people who live [within our 18-county territory](#) can take our training programs.
