Michelle's birthday is just a few days away. After she surprised me on my birthday with wonderful notes from The Obama Foundation community, I'm hoping you can help me return the favor. We already have a card started, and **we would love to include you.**

Michelle is an inspiration to me, and to millions of others. As First Lady, Michelle set an example for the next generation while making the White House a place that belonged to everybody.

And now at The Obama Foundation, her legacy continues with The Girls Opportunity Alliance, where she is continuing to inspire a new generation of young girls and women, by helping them reach their full potential.

That's worth celebrating!

[I hope you'll take a moment to wish her a happy birthday today, and tell her how much we appreciate the work that she does to build a better future for us all.](#)

I know just how much she'll appreciate hearing from the people who make The Obama Foundation's work possible—all of you!—on her birthday. Thank you for making it a special day.

– Barack
