Scholarship Fund*

Dear Family and Friends,

Last week, I started my last semester of high school! I am enrolled in Honors African-American Studies. As I engage in the curriculum, celebrate Black History Month, and read the news, I realize that history is being made every single day.

I also realize that my journey is history in the making, and I am committed to making a positive impact in my community through volunteerism, artistic expression, and entrepreneurship. I am so grateful for the support I have received as I prepare to graduate from Olympic High School and enroll in college.

What's next? I intend to major in Business Management and minor in Dance. I will likely audition for a dance team in college because I love performing. My career goals are to own a real estate development firm and a dance studio for children.

How can you support my journey? First, please continue to believe in the potential of all children. We need cheerleaders! **Second, please consider supporting my Debutante Cotillion Scholarship fundraising efforts by making a tax-deductible donation at [BlakeFalls.com](https://blakefalls.com).**

Donations to the Debutante Cotillion support my education and community organizations that are making a difference in Mecklenburg County, NC. Your donation will make a difference!

For the future,

Blake
