### Sharing the Read Together message with new read aloud

Reading together makes a difference! It helps children learn about language and the world, and build literacy skills that will help them be successful in school.

Ms. Jessica from Power 98 is helping us spread that important message with some fun read alouds for local families. We're excited to share her latest one, which features a story written by a CMS student! Plus, a special celebrity appearance!

### Nominate a Reading Hero

Our community is full of people who go above and beyond to help children succeed in reading. Help us recognize them by submitting a Reading Hero nomination!
