## The MeckEd Monthly

*Learn how we're preparing students to navigate life and achieve career success*

### ***Who is MeckEd?***

Since 1991, MeckEd has invested in the youth in our communities. Our team provides 1:1 support to high school students who aspire to have successful careers with generational impact. We engage community partners, business industry leaders and education stakeholders in providing a wide range of enrichment experiences. paid internships. financial and life navigation support

...ment experiences, paid internships, mentorship and management support inside and outside of the traditional school day. MeckEd connects these partners to students through our Career Pathways program in order to provide ALL young people with the knowledge, skills and experiences necessary to THRIVE!

### Support Career Success

### In Our Own Backyard

Our students took advantage of a Teacher Workday by participating in a local college tour. They had an amazing time learning about Johnson C. Smith University...

### Alenda Lux Ubi Orta Libertes

..and Davidson College. "Let Learning Be Cherished Where Liberty Has Arisen"
