Real change takes time, and we can't wait to invest in the next generation of leaders.

Training young changemakers is no small task. It takes time, mentorship, and resources. Most importantly, it takes a dedicated community. People who believe in a brighter future, and are willing to invest in it. **People like you.**

That's why I'm launching the **2025 Obama Foundation Monthly Donor Challenge** with an ambitious goal: to rally [200 new monthly supporters](#) by the end of the month, and I hope you'll be one of them.

When you become a monthly donor, you're doing more than making a gift—you're making an investment in the next generation of changemakers. Your ongoing support powers our shared mission: to inspire young leaders, hone their skills, and equip them with the tools they need to drive real, lasting change in their communities.

[Join us today as one of the 200 new monthly donors we urgently need](#), and build a better future for all, one month at a time.

Thanks to contributors like you, The Foundation has:

- Reached over 350,000 individuals through programs like My Brother's Keeper Alliance
- Built a network of over 850 program alumni who are leading change in their communities
- Expanded our reach to more than 152 countries and territories

We've already achieved so much together—and we're just getting started. Every day, more young leaders are rising to the challenge, ready to make a difference. [Your monthly support](#) will turn into mentorship, tools, and resources they need to drive change and strengthen this growing network of changemakers.

Yes! I'll drive change with my monthly gift

This is our moment to build something greater. Thank you for reaffirming your commitment today to drive the change of tomorrow.

Let's keep this momentum going—together.

—Beth
