Rep. Adams Statement on SCOTUS Granting DOGE Access to Social Security Administration Records

WASHINGTON, DC—Today, Congresswoman Alma S. Adams, Ph.D. (NC-12) released a statement on the Supreme Court of the United States **granting DOGE access to sensitive Social Security Administration records.**

"A group of unelected, unconfirmed private citizens has no business accessing your sensitive data," **said Congresswoman Adams.** "The Supreme Court ruling granting DOGE access to Social Security Administration records is a blatant violation of the privacy of every U.S. citizen. Social Security is a lifeline for millions of Americans—seniors, widows, children, disabled workers—and we cannot and will not let it be undermined."
