Don't miss your chance to add your name to the virtual supporter wall for the Obama Presidential Center today!

We can't wait for the Center to become a community hub and global beacon of democracy here on Chicago's South Side next year, and we want you to be a part of it.

[Please, join us in the excitement and show your support for The Obama Foundation and the Obama Presidential Center by adding your name to the wall today!](#)

Next year, a beacon of democracy right here on the South Side of Chicago will open its doors: the Obama Presidential Center.

We are so excited to bring President Obama's vision to life and create a living campus for people to visit, find inspiration, and learn how each and every one of us can play an important role in changing our communities. We would love for you to be a part of it.

As we get ready to celebrate this momentous event, we're creating a virtual supporter wall to feature the names of people around the world who are exemplifying The Obama Foundation's values, and we're hoping to add your name.

[Add your name to the virtual supporter wall for The Obama Foundation and Obama Presidential Center today, and ensure that you are a part of this future historic site's legacy.](#)

Add your name!

The Obama Presidential Center will be a symbol for the power of everyday people to make change, and by adding your name to the virtual wall, you are reaffirming your support for the idea that everyone can play a role in shaping a more inclusive future for our nation.

Right now, when the foundations of democracy are under threat around the world, it's so important that we come together and continue ensuring that people are equipped and motivated to make positive change in their communities, in the places they live, work, and play.

That is needed now more than ever, because protecting our democracy is up to all of us—that includes you, me, President Obama, our neighbors... everyone.

This is exactly what the Obama Presidential Center will represent, and what The Obama Foundation works toward every day. [That's why we're asking you to add your name to the virtual supporter wall today and show that you are willing to stand up for our commitment to democratic ideals.](#)

Thank you for being a part of the Obama Presidential Center, and for showing your support for democracy.

– Michael
