Have you seen our Quilts?!

While we wish these beautiful quilts were from our collection, they are on loan from the

Friendship Missionary Baptist Church.

We are so fortunate to call them "ours" for this exhibit, thanks to the folks in the Church's Quilters Ministry.

Check it out!

Explore the vibrant history and artistry of African American quilting traditions.

This powerful exhibit showcases handcrafted quilts from the 19th century to today—each stitch telling stories of resilience, identity, community, and creativity.

Don't miss out !!

This exhibit runs through July 31, 2025, and tickets are included with general house tours.
