Eighth Annual  
**Give 8/28**

...Because Black Giving is Magic!

**The only national giving day for Black-led and benefiting non-profits, Give 8/28 is more than just a day to give back but it's a day of honoring Black-led organizations that have an unshakable spirit. This is for the organizations that are showing up for both the culture and community.**

**Give 8/28 is a national day of giving dedicated to supporting Black-led nonprofits that are creating meaningful change in their communities. It's**

a powerful reminder that your support—whether big or small—can directly uplift the voices, ideas, and impact of Black leadership.

This year, we're inviting you to stand with SOL Nation as we continue our work to protect the environment, promote climate justice, and empower historically excluded communities.

**There are three ways to support:**

- Make a one-time donation to fuel our ongoing work in environmental and climate justice.
- Join our membership community to stay connected, informed, and involved with the mission year-round. Members receive exclusive updates, invites, and opportunities to engage.
- Give to our Ambassador Program which is all about growing the next wave of environmental leaders—young changemakers who are learning, organizing, and making real impact in their communities.

Your support helps us close the green gap, amplify community-led solutions, and build a future where sustainability and equity go hand in hand.

By becoming a Sol Nation Member, you directly support our work in grassroots organizing, environmental education, policy advocacy, and sustainable solutions that uplift historically marginalized communities.

**Join the Membership**

By donating today, you're not just giving funds—you're giving knowledge, access, and opportunity to the voices we need most in this work.

**Support the Ambassador Program**

Support our Vision to be a national and globally recognized organization that provides direct pathways for BIPOC communities to enter into the Sol Era.

**Donate to SOL Nation's Vision**
