Friend, there's a fierce urgency to the work the NAACP is doing.

At the highest levels of government, our rights and fundamental freedoms aren't just being rolled back, they're being eliminated.

Attacks on our 5th and 14th amendment rights to due process and birthright citizenship are attacks on ALL of us. We cannot stand on the sidelines.

Here's how we fight back: mass mobilization, community education, and providing trustworthy information. As you are reading this, we are working hyper-local for national impact!

[This is *THE* moment and we are on the frontline fighting every single day.](#)
