It's Derrick Johnson, President and CEO here at NAACP. I wanted to reach out to you today to give you a crucial update.

NAACP is on the frontline, doing everything in our power, to combat this wannabe dictator. He is supported by spineless right-wing politicians who celebrate the widening impact of systemic racism and White supremacy their policies are having.

Everything is on the line now, but this fight is nothing new to the NAACP. I'm so grateful to have champions like you joining the fight to secure a future where everyone is guaranteed their civil and human rights without discrimination.

I've been coordinating with our finance team about our \$150,000 End-of-Month goal and the great news is that we're within striking distance. But donations are slowing down, even while attacks on our constitutional rights are ramping up.

Today is our last chance to hit our goal if we're going to continue taking this fight to communities, courthouses, and the halls of Congress. Please, use this secure link to make a generous donation now: <https://naacp-us.org/july>

Peace and Power,

Derrick Johnson
