I was so touched by how many of you helped celebrate my birthday and our shared work to inspire, empower, and connect the next generation to change their world.

Time and again, this community has shown just how powerful it can be when people come together for something bigger than themselves. And today was a perfect example.

Reading your card submissions and messages of support for The Obama Foundation's work was a highlight of my day. And I also loved seeing your generous birthday gifts supporting our programs. I'm more energized than ever to keep supporting and connecting the next generation of leaders.

Here are a few of the notes that made it such a special day.

“

Happy, happy birthday, Mr. President! Thank you for the important work you continue to do. You are a shining example of wisdom, kindness, and integrity. Enjoy your day with Michelle and your girls!”

— Kay C.

“

Happy Birthday, President Barack Obama! Your leadership, integrity, and unwavering hope continue to inspire generations around the world. Thank you for showing us the power of words, the strength in unity, and the grace in humility. Wishing you a year filled with joy, health, and continued impact. Cheers to your legacy and the light you bring!”

— Adhiambo G.

“

Wishing you a birthday as iconic as your speeches and as lit as your Spotify playlists.”

— Sarah G.

In times like these, taking a moment to appreciate the people around us is more important than ever. And I couldn't be more grateful for your support.

So thanks again for celebrating my birthday with me, and for everything you do for The Obama Foundation.

Warmly,

Barack
