Our mission at The Obama Foundation is to inspire, empower, and connect people to change their world, and through it all our supporters—including you—have been invaluable to our work. Together, we are building an active democratic culture where people are equipped and motivated to make change, not just at the polls or in the halls of power, but in their communities.

Hearing from Foundation supporters makes our work more collaborative and impactful. [I hope that you’ll take some time today to complete the survey.](#)
