[The NAACP legacy is long and our work is consistent: to build Black political, social, and economic power to end racial injustice. With White supremacists in office, we need your support now more than ever to fight back. Consider making a generous donation to fuel the fight against fascism today!](#)

Friend,

If you are feeling frustrated, defeated, and overwhelmed: **You are not alone.**

While extremists are trying to flood the system with fascism, the NAACP is fighting back – and we are winning in court.

If you believe in an inclusive community rooted in liberation where all persons can exercise their civil and human rights without discrimination *there's a place for you in our NAACP community.*

We will not let fear and division drive us further apart. We cannot succumb to apathy. We must come together to defend our friends, families, and neighbors.

We never have and never will cower in the face of racism. The NAACP is leading the counter-offensive to vigorously defend our lives, our freedom, our history, and American democracy on every front.

[If everyone reading this chipped in as little as \\$20, we'd be able to continue suing extremists, expanding our advocacy, and protecting our communities. But we can't do that without your support. Please friend, consider chipping in and joining the fight to protect our democracy:](#)
