Subject: Free 12-week computer classes

Good evening,

If you or your agency knows of people, including seniors, that need computer training, please advise them asap.

Mecklenburg Council of Elders is offering 12-weeks of Free Computer Training as one of our expungement clinic wrap-around programs.

(they/you do not need to be an expungement client).

Our introduction was Tuesday August 19th. **The classes start August 25th and run every Tuesday for 12-weeks.**

At the end of the classes, there will be a class graduation, certificates, and gifts given to the participants.

Anyone interested may start attending class Tuesday August 25, 2025 from 11:00am - 12:00 pm.

Location: 3114 Bank St. on the campus of Marie G. Davis School in building H. (behind the school)

Thanks for helping get the word out.

Maria
