Friend,

This month, we launched our [Fierce Advocacy in Action Town Halls](#) to mobilize Black communities nationwide, hold decision-makers accountable, and build power ahead of the midterm elections.

On Tuesday, we sued Texas Governor Greg Abbott over the state's racially motivated gerrymandering to silence Black communities.

And today, we're launching our Black Voter Defense Fund to tackle systemic issues like racial gerrymandering through mobilization, legal advocacy, and education.

We've seen how far extremists are willing to go to push Black communities back towards a time when we were denied full personhood and equal rights. *But the NAACP was made for these challenges – and we won't back down.*

[BECOME A FOUNDING DONOR: It won't be easy but we need to raise MILLIONS to fight racially targeted attacks, unconstitutional voter purges, and secure legislative representation mandated by the Voting Rights Act! Donate today and join our grassroots movement fighting to empower and protect Black voters!](#)
