Sugar Creek Restoration Project: Phase 3

Hi Monique Mitchell,

This is an urgent reminder of the critical importance of your presence and partnership at the County Commissioners Meeting to address the conditions along Sugar Creek and Regan Drive.

The disparities facing our community have reached a point where delay is

no longer an option. We are experiencing significant challenges daily, and we need our **elected** commissioners to make Sugar Creek and Regan Drive a top priority. This is not simply a matter of long-term planning, it is an urgent call for immediate assistance and resources. **Enough is Enough!**

We are requesting your presence, active engagement, and support in helping us secure the services and interventions our community desperately needs. ***Please consider speaking and sharing your experiences, suggestions and needs.*** We cannot continue to wait while these issues persist, leaving us feeling captive in our own neighborhood.

Your presence will make a direct impact in ensuring equity, safety, and opportunity for this community. We look forward to your urgent attention and commitment.

Wednesday, September 3rd at 5:30pm

Charlotte-Mecklenburg Government Center, 11th Floor
