Friend,

I'm inviting you to a groundbreaking virtual event about the future of AI and healthcare:

[Building a Healthier Future: Designing AI for Health Equity](#)

 Tuesday, September 9, 2025, at 7 p.m. ET

 [Zoom](#)

Artificial intelligence is transforming healthcare, but equity must be at the center. At the NAACP Center for Health Equity, we are launching a new **Task Force on AI and Health Equity**, in partnership with **Sanofi**, to ensure innovation advances justice for all.

What to Expect

- Learn about the Task Force's mission, goals, and early direction
- Hear from esteemed speakers including:
 - **Dr. Chris T. Pernell**, Director, NAACP Center for Health Equity
 - **Dr. Tony Price Jr.**, Senior Fellow, NAACP Center for Health Equity
 - **Dr. Craig Watkins**, Ernest A. Sharpe Centennial Professor and Executive Director of the IC2 Institute, University of Texas at Austin
- Share your insights on what should be included in an upcoming White Paper to guide inclusive and equitable AI in healthcare

Why Your Participation Matters

Health equity requires diverse voices, and yours is essential. Together, we can ensure every community benefits from AI-driven healthcare.
