FOR THE LAND, THE WATER, THE AIR AND THE PEOPLE

SEPTEMBER EVENTS

ATTENDEES WELCOMED | VOLUNTEERS WANTED

Good Afternoon!

SOL Nation is excited to share two upcoming opportunities for you to get involved, give back, and stand with us in building healthier, more resilient communities. This September, we're inviting volunteers to roll up their sleeves, connect with neighbors, and help us bring our mission to life.

Community Clean Up – Saturday, September 13th | 10am -12pm

Join us as we take action to care for our neighborhoods and environment. Together, we'll pick up litter, beautify community spaces, and have conversations with residents about the issues that impact their everyday lives. A few hours of your time can make a lasting difference.

Statewide Rooted in Wellness Day – Saturday, September 20th | 10am - 3pm

This annual campaign brings Black and Brown communities closer to vital health and wellness resources, while also connecting them with local leaders shaping policies around housing, food access, healthcare, and more. SOL Nation will host a vendor table and we're looking for volunteers to:

- Hand out SOL Nation's materials
- Engage attendees who stop by our table
- Support event flow and create a welcoming atmosphere

Shifts are a minimum of 2 hours, and if you're flexible, you're welcome to sign up for more than one!

Why volunteer?

Your time and energy help amplify our collective power. Whether it's picking up trash to make our neighborhoods cleaner or connecting families with resources that improve their lives, your presence matters. These events are also great opportunities to meet like-minded community members and see the impact of your efforts up close.

Thank you for standing with SOL Nation. Together, we're creating a future where every community has the resources and dignity it deserves.

Best,
SOL Nation Inc.
