Friend: I'll keep this brief.

Our mid-month deadline is TONIGHT, and unfortunately, *it appears we will fall short of our critical financial goal by \$25,000.*

The current administration and their extremist lackeys have been lawless in their destruction of the Constitution's checks and balances, the separation of powers, and civil rights. *Now, governors across the country are falling into lockstep by attempting to racially gerrymander their states to silence the voice of Black voters.*

NAACP has never and never will cower in the face of fascism.

That's why we launched the NAACP Black Voter Defense Fund. We will not allow racial gerrymandering to go unchallenged. We are confronting it head on with massive, nationwide public education, grassroots mobilization, and legal advocacy.

[If everyone reading this chipped in as little as \\$10, we'd be able to continue suing extremists, expanding our advocacy, and protecting our communities. But we can't do that without your support. Please friend, consider chipping in to become a founding donor of the Black Voter Defense Fund before midnight tonight:](#)
