Dear Friend,

As noted in our July announcement, the Council for Children's Rights will soon dissolve, but at the heart of our mission, the Education Law Program will continue on through the Charlotte Center for Legal Advocacy.

Our previous work would not have been possible without your generosity and we are deeply grateful for your support. To carry forward this work, the Charlotte Center for Legal Advocacy will also acquire the Council for Children's Rights' donor database. This will allow them to stay connected with the community of supporters who have made such a difference for children over the years. **If you would prefer that your information not be transferred, you may opt out by emailing karen@cfcrights.org by Wednesday, October 15th, 2025.**

While it is never easy to say goodbye, we are excited that the legacy of the Council for Children's Rights will live on through the dedicated work of the Charlotte Center for Legal Advocacy. Thank you, once again, for walking alongside us in the fight for children's rights. Your generosity has left an indelible mark, and together, we have built a stronger foundation for the future.

With deepest gratitude,  
Council for Children's Rights
