Friend,

Trump has continued pressuring states to gerrymander their congressional maps because he knows voters have the power to hold his regime accountable.

We've already taken legal action to secure fair voting maps in Texas, Missouri, Tennessee, Alabama, and Mississippi. *And we aren't slowing down.*

The NAACP remains committed to fighting back against unconstitutional attempts to dilute our vote, while also working tirelessly to mobilize the Black electorate.

This is why we keep fighting: **every vote must count, every voice must be heard!**

We must do everything in our power to advance justice for our culture, and our community. The fight for fair elections is far from over.

[NAACP created the Black Voter Defense Fund to continue rallying voters to town halls, expanding our advocacy, and carrying our fight to the courts. But we need to raise another \\$200,000 in THREE DAYS to fuel this fight! Please don't wait, friend, I'm counting on you to chip in today:](#)
