 Seqirus ICF.pdf (~532 KB)

Steve,

This is information on the flu vaccine study. It is to research efficacy in seniors of a certain vaccine compared to regular vaccine. There will be no placebo used and there is monetary compensation. Here is the contact for questions or to sign up:

De Asher
Patient Recruiting Coordinator
Phone #: Monroe: 704-290-3556/Charleston: 843-410-2077
Email: de.asher@monroeresearch.com

I don't know if policy allows you to post this, but sending it in case.

Have a good rest of your week!
