Friend,

Following the devastating Eaton Fire, Edison – the company responsible – is pressuring victims to accept compensation that falls far short of what they deserve. We cannot allow corporations to shortchange our communities.

In partnership with **Singleton Schreiber, McNicholas & McNicholas**, and **Becker Law Group**, the NAACP is hosting a [virtual town hall](#) to provide updates, answer questions, and ensure those impacted have the tools and knowledge to fight for full and fair compensation for the disaster that Edison caused.
