Friend,

Elections are just a few weeks away.

Join us on **Tuesday, October 28, at 8 p.m. ET** for an interactive [election protection training webinar](#) designed to prepare members, volunteers, and partners to defend voting rights and empower voters across the nation.

During this training, you'll learn how to:

- Understand voter rights and navigate registration or ID issues
- Support vote-by-mail and ballot curing processes
- Ensure accessibility and language assistance at polling sites
- Practice de-escalation and incident reporting
- Combat disinformation and voter suppression

You'll also receive access to Election Protection tools and resources, including hotline protocols, checklists, and GOTV alignment strategies, to strengthen your state and local efforts.

P.S. Do you know what to do if you witness a voting incident at the polls?

Visit [naacp.org/vote](#) to use the [NAACP Voter Incident Report Form](#), available 24/7, or **text "Polls" to 20707**. Connect directly with our National Election Protection team of attorneys and trained volunteers to report machine failures, intimidation, misinformation, or other barriers to the ballot box.

Keep Advancing,
