Since 2015, the [Jordan Wings Program](#) has stayed true to its mission of creating inspiration and access that help youth build a better future through the power of collaboration, community, and creativity. Wings initiatives are powered by 28 global community partners alongside Jordan Brand and Nike employees.

In celebration of a decade of the Jordan Wings Program, CYC is proud to highlight our ongoing partnership and the impact we've made together in supporting, empowering, and inspiring the next generation of leaders.

Since January 2019, CYC has teamed up with the Jordan Wings Program to provide transformative opportunities for our Fellows through the Jordan Wings Scholars Program, the Jordan Wings Design Program, and Jordan swag incentives that celebrate excellence and growth.
