Friend, it's time for us to come together and protect our future.

As the administration targets our leaders, undermines our voting rights, and threatens our communities, we say with one voice: **Hands off our democracy.**

We know Donald Trump wants us to be afraid, *but we will not be.*

We know he wants to consolidate power, *but we cannot allow him to.*

Democracy is not a spectator sport; *we all have a role to play.*

The NAACP working to mobilize over 1.5 million voters across California, New Jersey, and Virginia; including a phonebank campaign with Californians to rally support for Prop 50. Our New York State Conference is leading a Direct Action Rally in support of Attorney General Letitia James. Nationally, we're hosting National Voter Protection Training where we'll share on-the-ground tools (hotline protocols, checklists, GOTV alignment) and how to develop or plug into state and county Election Protection efforts.

Every conversation matters. Every story shared makes an impact. Every call made brings us one step closer to change. Every dollar raised fuels the fight to conserve hard fought for and hard won power.

[With upcoming elections in NINE days and the midterms in 373, we must make every day count. If you've been waiting to donate, become a freedom fighter today and help stop Donald Trump's authoritarian power grab! Can we count on you?](#)
