Letter from the Director

Charles Thomas
Director / Charlotte

Dear Stephen,

It's been a productive fall in Charlotte.

This month, I welcomed Knight Foundation's new vice president of community impact, Francesca de Quesada Covey, to the Queen City and toured the Historic West End with her, stopping at West Side Community Land Trust, Historic West End Partners, Archive CLT, the Historic Excelsior and the new Main Library, which is nearing its \$165 million fundraising goal.
