Friend,

I wanted to give you an update on our fundraising deadline after Yumeka reached out yesterday.

Thanks to your collaboration, we've seen a massive nationwide groundswell of support! But we've got to keep this momentum up if we're going to close the gap.

Because the truth is the same forces seeking to silence us are rolling back the progress generations fought for. They are counting on you to look away. To be distracted by steady chaos. *Don't!*

[Together, we can close the remaining \\$27,000 funding gap, ensure voters can confidently cast their ballots, and send a clear message that we will not bow to the Commander in Corruption. Whether you give \\$1 or \\$100 today, every dollar helps the NAACP's Black Voter Defense Fund get the job done!](#)
