## Celebrating Men of Vision & Impact

Meet First Last Name  
Job Title Here

An executive leader has years of experience in building and deploying successful business strategies. Able to think strategically at both the micro and macro levels and implement changes at scale. A track record of successfully growing companies and delivering effective executive oversight.

He orchestrates our big-picture goals, strengthens our brand, and defines the path to company wide success. Communicates updates company wide to relevant stakeholders and unifies our organization through strong, shared values.

He leads our team in creating enthusiasm and passion for corporate values. Our executive outlines ambitious and aggressive goals for the company. He defines what our success looks like — in both the short and long term. He tracks progress toward key business growth milestones and participates in press opportunities to increase brand visibility and credibility.

### Charlotte's Top 5 Emerging Neighborhoods in the Next 5 Years

## CHARLOTTE'S TOP 5 EMERGING NEIGHBORHOODS

By Kendric Best, REALTOR®

by Kendrick Best, Realtor

If you live in the Queen City, one thing we can all agree on is that Charlotte's skyline isn't the only thing growing. Our neighborhoods are evolving just as quickly. Over the past decade Charlotte has transformed from a mid-sized Southern hub into one of the fastest-growing metropolitan areas in the country. And the COVID-19 pandemic only accelerated this exponential growth...**READ MORE**

## Charlotte Ranks in the Top Ten of the Most Diverse Cities

### Recent Study Highlights Most Diverse Cities

Here are the cities that made WalletHub's top 20 most diverse cities in the U.S.:

WalletHub, a personal finance company, recently completed an extensive diversity study to understand the racial demographics in the United States. In a WalletHub report published in February, the company found that the number of diverse populations in hundreds of U.S. cities is growing.
