Millions Hit the Skies: How to Handle Heavy Thanksgiving Traffic

The Thanksgiving travel holiday is ready to "get its gobble back" at the nation's airports, including Charlotte Douglas International Airport.

Approximately 1.9 million passengers are expected to pass through CLT during the 13-day holiday period from Nov. 20 to Dec. 2, 2025.

Travelers will experience their first post-construction holiday this year in the \$608 million Terminal Lobby Expansion, which features 366,000 square feet of new and renovated space, larger checkpoints, an expanded curb front, automated exit lanes, new concessions and holiday decorations.

Check out tips to navigate the large crowds this holiday season and beyond at CLT.
