Give the gift of an Urban League Education

As you give generously this holiday season, will you consider a gift to Your Urban League of any amount to support our mission? Every gift strengthens our program delivery for HVAC, Electrical, CNA, Customer Service, and Career Pathways and ensures that more individuals have access to each opportunity.

DONATE TODAY

Hear from our students directly about the impact of ULCC's workforce programs.

Here's how your donation can make an impact you can see:

- **\$50** provides supplies needed to support learning, training, and development for every student.
- **\$250** strengthens our wraparound services, such as childcare, transportation, housing, and utilities to support the urgent needs of our students.
- **\$750** ensures that each student who graduates and secures a job gets their first set up the tools they will need to be successful on day one!

There are multiple ways to make your donation: **you can mail a check to our offices or give securely online.** We invite you to make your gift on or before December 31st. Thank you for your consideration and partnering with us to empower communities and change lives. Wishing you and your family a joyous and safe holiday season.

With gratitude,

Robyn Lake-Hamilton
President & CEO
Urban League of Central Carolinas
