'Tis the Season To Travel

It might be the most wonderful time of the year, but it can also be the most stressful for travel. This holiday season more than 2.7 million passengers will pass through Charlotte Douglas International Airport.

But fear not, we can help you avoid a Kevin "Home Alone" moment by helping you prepare before you even arrive at the terminal.

Whether you need information about parking, shuttle bus wait times, last-minute gifts or TSA tips for getting through security checkpoints quickly, CLT is here to help.

CLT's Top 2025 Moments

Put a big red bow on it! We are wrapping up the year by reflecting on CLT's top 10 moments of 2025. From completion of the Terminal Lobby Expansion to historic new routes and rocking concessions, CLT delivered it all and more this year.

As we get ready to ring in 2026, we celebrate the Airport's impact on the regional economy, commercial and general aviation and even pop culture.

See if you can guess this year's most significant achievements.

Airport Helps Federal Workers

While the recent federal government shutdown created uncertainty for travelers, no one was affected more than our federal employees who work at the Airport.

CLT mobilized to support these unpaid workers by volunteering time and donating food and other essentials to assist them and ensure operations ran smoothly and safely.

Learn about the generous help offered by our Airport employees, airline partners, concessionaires and others.

Angel Tree Delivers Wishes

The CLT Aviation Department is making holiday dreams come true for some local students with its 2025 Angel Tree Giving Campaign. Each year, our Spirit Committee brings smiles and gifts to children who need a little extra help from the elves.

Whether it's a baby doll, a monster truck or a gift card, our CLT employees help make the season bright for these deserving families.

Special Needs Dog Joins Canine Crew

He's genuinely a lucky pup. Not only was the newest member of the CLT Canine Crew therapy dog program spared his life, but he also overcame a disability and is now welcoming visitors and passengers at the Airport.

Meet "Mahjong," the stunning Australian Shepherd who also happens to be deaf.

Dig deeper into Mahjong's "Tail" of Triumph and discover how his owner trained him for the hearing world.
