Dear Friend of StriveCLT,

As 2025 comes to a close, we want to pause and simply say thank you.

Because of your generosity, belief, and partnership, this year has been one of meaningful progress for StriveCLT and the families we serve. Together, we continued building pathways to reading, digital, and financial literacy, strengthened our organizational capacity, and deepened our commitment to ensuring Southside Homes families have tools, resources, and support they deserve to thrive. Your support is an affirmation that equity, opportunity, and community-led solutions matter.

As we enter the holiday season—a time of reflection, gratitude, and giving—we invite you to help us close out the year strong and step confidently into 2026.

If you're moved to make a year-end, tax-deductible gift, we welcome contributions of any amount. Your gift—whether large or small—helps us invest in the people, programs, and partnerships that make lasting change possible. Your generosity today helps ensure families have access to opportunity tomorrow.

From all of us at StriveCLT, we wish you and your loved ones a joyful holiday season and a hopeful, healthy New Year.

With gratitude and purpose,

The StriveCLT Team
