LEARN MORE ABOUT MO!

The D2 P.L.A.N.

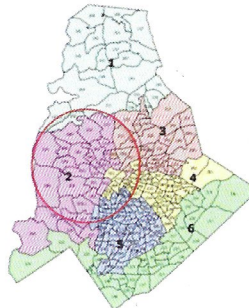

Using data for strategic planning and execution, I am dedicated to the P.L.A.N.!

- P** **Protection of Historic Neighborhoods** and homeowners. Anti-displacement policy, property tax stabilization, land trusts.
- L** **Livability improvements** and environmental resilience. This includes food access, sidewalks, and transit connections.
- A** **Access to affordable and supportive housing options**, healthcare and job pathways.
- N** **Neighborhood power** in county decisions. More community voice, data-sharing, and neighborhood-driven plans.
