

Evaluation Explorations

Register today for a three-day, interactive in-person course designed with and for nonprofits to build in-house data and evaluation capacity.

- Create a theory of change & logic model for one of your programs
- Draft a survey or interview guide to answer your evaluation questions
- Design a plan to measure and analyze your data
- Connect with local nonprofit professionals

October 28-30, 2026

9:30 a.m.-3 p.m.

The Dubois Center at UNC
Charlotte Center City

\$600 registration fee – parking, breakfast, and lunch included

Scholarships for small nonprofits

Discounts for organizations with multiple registrants
